First aid kit, warning triangle and high visibility vests	●	●	●	●
Seatbelt reminders for all passengers	●	●	●	●
Tyre pressure monitoring system – status of air pressure and temperatures of tyres are displayed in the MMI system	●	●	●	●

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

<sup>1</sup> Combined figure based on ADR 81/02 (pure electric range). Figure is derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>2</sup> Please note figures are sourced from overseas data where equipment levels by model variant may vary.

<sup>3</sup> Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

## Standard equipment and options

	Option Code	Q8 50 e-tron	Q8 Sportback 55 e-tron	SQ8 e-tron	SQ8 Sportback e-tron
<b>Assistance systems<sup>3</sup></b>					
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist <sup>3</sup>		●	●	●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration <sup>3</sup>		●	●	●	●
Audi pre-sense front with Autonomous Emergency Braking – provides collision mitigation from 5 km/h up to 85 km/h (pedestrians and cyclists) and up to 250 km/h (vehicles) <sup>3</sup>		●	●	●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear <sup>3</sup>		●	●	●	●
Audi side assist – blind spot warning system <sup>3</sup>		●	●	●	●
Audi parking system plus with front and rear sensors <sup>3</sup>		●	●	●	●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring <sup>3</sup>		●	●	●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects <sup>3</sup> . A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h		●	●	●	●
Park assist with Audi parking system plus including front and rear sensors <sup>3</sup>		●	●	●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action <sup>3</sup>		●	●	●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents <sup>3</sup>		●	●	●	●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening <sup>3</sup>		●	●	●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●	●	●	●
Predictive efficiency assistant		●	●	●	●
Provision for trailer towing hitch		●	●	●	●
Turn assist – monitors oncoming traffic when turning right at low speeds <sup>3</sup>		●	●	●	●
<b>Exterior features</b>					
LED headlights with daytime running lights, dipped beam, high beam assist, position light, indicator, all-weather light and automatic-dynamic headlight range control and headlight washing system		●	●	–	–
Matrix LED headlights with front and rear dynamic indicators; virtually updated daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, automatic-dynamic headlight range control, dynamic light design and headlight washing system	PX6	\$3,300*	\$3,300*	●	●
Digital Matrix LED headlights with extended light sequencing - 5 dynamic image/animation projections; front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, manoeuvring light, automatic dynamic headlight range control, dynamic light design and headlight washing system		–	–	Included in Sensory package	Included in Sensory package
Singleframe projector lighting		–	–	●	●
Exterior door entrance LED projector lights with e-tron logo, front and rear		–	–	Included in Sensory package	Included in Sensory package
Power-assisted soft close doors		–	–	Included in Sensory package	Included in Sensory package
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side		●	●	●	●
Exterior mirrors in body colour		●	●	–	–
Exterior mirrors in aluminium look		–	–	●	●
Virtual mirrors - aerodynamically exterior mounted cameras transmit images directly to the OLED touchscreen, includes kerb view, intersection view and motorway view	PAF	\$3,500*	\$3,500*	\$3,500*	\$3,500*
S line bumpers (front and rear) in full paint finish, radiator grille surround in titanium black with vertical slats in matt aluminium silver, blade in the front spoiler and air intakes in Platinum grey matt		–	●	–	–
S body styling including S front and rear bumpers, grille, side sills and rear tailgate spoiler		–	–	●	●
High gloss styling package with exterior window slot trims in anodised aluminium		●	●	●	●
Black exterior styling package – accents on the Audi Singleframe, trim strips on the side windows, the side door inserts and the front and rear bumpers in black; exterior mirror housing in high-gloss black and roof rails in black (black roof rails optionally available on Sportback variant)	4ZD	Included in Sport package	\$1,900*	\$1,900*	\$1,900*
Black exterior styling package plus – includes black exterior styling package with Audi rings and badging in black	4ZP	–	–	\$2,300*	\$2,300*
Roof rails in aluminium	3S1	●	\$900*	●	\$900*
Roof rails in black (only in conjunction with black exterior styling package)	3S2	Included in Sport package	\$900*	Included in Black exterior styling packages	\$900*
Convenience key, full keyless entry and start		●	●	●	●
Electric rear tailgate with programmable opening height and gesture control		●	●	●	●
Privacy glass – dark tinted rear and rear side windows	QL5	\$1,050*	\$1,050*	●	●
Panoramic glass sunroof	3FU	\$3,400*	\$3,400*	●	●

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

\* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

## Standard equipment and options

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

- Conditions and exclusions apply, see <https://www.audi.com.au/au/web/en/owners/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.
- \* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.
- # Combined figure based on ADR 81/02 (pure electric range). Figure is derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- † The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit [www.audi.com.au/audi/connectplus-terms-of-service](http://www.audi.com.au/audi/connectplus-terms-of-service) for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: [www.audi.com.au/audi/connectplus-privacypolicy](http://www.audi.com.au/audi/connectplus-privacypolicy)
- 1 Unladen vehicle weight includes driver (75kg), calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- 2 The charging capacity depends on the type of mains connection plug, country-specific voltage, number of available phases of the power grid, and customer-specific house installation. It can therefore be reduced on an individual basis. The power supply cable with an industrial plug and the operating unit of the charging system are matched to each other and allow a certain charging capacity. Changing the power supply cable later to another industrial plug is technically possible, but this may lead to a lower charging performance.
- 3 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
- 4 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi Service Request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.
- 5 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.
- 6 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
- 7 Digital radio reception coverage dependent on vehicle location.
- 8 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- 9 6 year subscription applies to all Chargefox ultra rapid charging stations and participating Chargefox managed fast charging stations only and is based on Chargefox's standard terms and conditions. Please visit [www.chargefox.com/audi/](http://www.chargefox.com/audi/) or the Chargefox app for eligible ultra-rapid and fast charging locations and terms of use. The 6-year Chargefox subscription begins from the vehicle's first registration date. The subscription services are provided by Chargefox and registration with Chargefox is required to receive these services. Terms, conditions and exclusions apply.
- 10 Scheduled servicing for 6 years or 90,000kms from the date of first registration (whichever occurs first) as per the manufacturer's recommended scheduled servicing specifications at authorised Audi dealers only. Excludes wear and tear items and any additional work or components required. Terms, conditions and exclusions apply.
- 11 2 years AudiCare Roadside Assistance plus 4 years Service Initiated Roadside Assistance, which are activated when the scheduled services are performed by an authorised Audi dealer. Terms, conditions and exclusions apply.
- 12 Leatherette consists wholly of artificial leather.

Vehicle pictured is an overseas SQ8 Sportback e-tron quattro with optional equipment.
