● = Standard | † = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

° Please note figures are sourced from overseas data where equipment levels by model variant may vary.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

Δ Figures are calculated on the basis of 20 inch wheels. Fuel consumption, CO₂ emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Standard Equipment and Options

	Option Code	RS 4 Avant	RS 5 Sportback	RS 5 Coupé
Assistance systems¹				
360 degree cameras – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ¹		●	●	●
Adaptive cruise control with Stop&Go including distance indicator, traffic jam assist, and speed limiter ¹		●	●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ¹		●	●	●
Lane change warning (side assist) – warns vehicles in the blind spot as well as those approaching rapidly from the side ¹		●	●	●
Audi parking system plus front and rear with visual display ¹		●	●	●
Park assist – helps to steer the vehicle into a parallel or perpendicular parking space ¹		●	●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ¹		●	●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ¹		●	●	●
Exit warning system – detects cars and cyclists when opening doors ¹		●	●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers ¹		●	●	●
Predictive efficiency assist – provides targeted control of the engine overrun and coasting phases ¹		●	●	●
Turn assist – monitors oncoming traffic when turning right at low speeds ¹		●	●	●
Exterior features				
Audi Matrix LED headlights – includes LED headlights with daytime running lights, dipped beam, high beam, position light, all-weather light, turning light, dynamic cornering light, automatic-dynamic headlight range control, and front and rear dynamic indicators. The Matrix beam detects and blanks out oncoming vehicles or vehicles in front, but continues to fully illuminate other areas between and alongside. Includes RS-specific darkened trims, Coming home and Leaving home animation, and headlight washer system		●	–	–
Audi Matrix LED headlights (includes all features above) with Audi laser light – includes Audi laser light that supplements the LED high beam at higher speeds, providing a light that is more intense in range and brightness, increasing visibility for the driver		–	●	●

▶ Voice control with natural speech detection				
▶ 3D map display including places of interest and city models				
▶ MMI search: free-text search with intelligent destination suggestions				

● = Standard | * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

- ≈ Conditions and exclusions apply, see <https://www.audi.com.au/au/web/en/owners/warranty.html>. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.
- ⊘ Please note figures are sourced from overseas data where equipment levels by model variant may vary.
- * Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.
- Δ Figures are calculated on the basis of 20 inch wheels. Fuel consumption, CO₂ emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- ‡ The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsandservices for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy
- # Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
 - Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi service request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.
 - Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.
 - Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
 - Digital radio reception coverage dependent on vehicle location.
 - MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicles pictured are an overseas RS 4 Avant and RS 5 Sportback with optional equipment.
